

BELGAREG MOHAMED AMINE

BUSINESS INTELLIGENCE DEVELOPER

Megrine, Ben Arous, Tunisia | +216 56 490 416 | belgaregmohamedamine@outlook.fr | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

SUMMARY

As a Business Intelligence Developer, I specialize in delivering data-driven solutions and reports for logistics and procurement functions. Proficient in SQL Server, Power BI, and data visualization, I am committed to enhancing business performance through innovative reporting. I excel both independently and collaboratively, ensuring high-quality BI solutions and effective communication with stakeholders.

PROFESSIONAL EXPERIENCE

EL Mazraa, Grombalia, Tunisia

Business Intelligence Analyst Intern / February 2024 - June 2024

- Developed interactive dashboards and reports using Power BI to support logistics and procurement analysis.
- Conducted comprehensive data analysis and managed ETL processes using SSIS and Excel to ensure accurate and reliable reporting.
- Coordinated with various departments to streamline data reporting and enhance operational performance.

Mec Art Toyota, Tabulbah, Tunisia

Web Developer & BI Analyst Intern / February 2022 - June 2022

- Created a dynamic dashboard using Excel and Chart.js (React.js) to track sales and services, enhancing decision-making capabilities.
- Designed and launched a user-friendly website to improve user experience and support business activities.
- Analyzed sales and service data to identify trends and provided actionable recommendations.
